Directions to the Event

- (If you are traveling on I-75 either North or South, get off on I-4 going West)
- The best way to get to the Fairgrounds entering the 301 side, is from I-4. From I-4 traveling either east or west, take Exit 7, (which is the US Hwy 301 exit - Follow signs to the State Fairgrounds)
- Proceed about 8/10 of a mile south on US Hwy 301 until you see signs for **BRAD'S GATE**. There will be signs telling you **BRAD'S GATE** is straight ahead. Then you will see the signs telling you to turn right into entrance gate with signs for "**BRAD'S GATE**". Turn right into this gate, (it will be the only gate open on 301), then follow the coned off area until you see signs for **FRVTA RALLY** with an arrow to turn right. Follow this road to the Staging Area and there will be flaggers to direct you to this area.
- (Do not try coming up from the south on 301. There is no traffic light there.)
